## **1. Introduction – Freedom of Information Act 2000**

- 1.1 The FOIA was introduced on 30 November 2000 but came fully into force on 1 January 2005. The act gave new rights of access for the public-to-public bodies recorded information.
- 1.2 The FOIA requires public bodies to action two specific legal obligations.
- to adopt and maintain a publication scheme setting out details of information that the Trust will routinely make available and how the information can be obtained;
  - to comply with requests for information.

## **2. What a publication scheme is and why it has been developed?**

- 2.1 One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
  - *The manner in which the information will be published; and*
  - *Whether the information is available free of charge or on payment.*
- 2.2 The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.
- 2.3 Some information which we hold may not be made public, for example personal information.
- 2.4 This publication scheme conforms to the model scheme for school's approved by the Information Commissioner.

## **3. Aims and Objectives**

- 3.1 The Trust aims to:
- enable every child to fulfil their learning potential, with education that meets the needs of each child,
  - help every child develop the skills, knowledge and personal qualities needed for life and work,

and this publication scheme is a means of showing how we are pursuing these aims.

#### 4. Categories of information published

- 4.1 The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.
- 4.2 The classes of information that we undertake to make available are organised into four broad topic areas:

*School Prospectus* – information published in the School prospectus.

*Trustee/Governors' Documents* – information published in the Trustees/Governors Annual Reports and in other trust board/governing body documents.

*Pupils & Curriculum* – information about policies that relate to pupils and the Trust curriculum.

*Trust Policies and other information related to the Trust* - information about policies that relate to the Trust in general.

## **8. Making/Processing a Request Under FOIA**

- 8.1 The Trust is aware of its obligations in relation to the FOIA and intends to fulfill its legal obligations.
- 8.2 Requests for information have to be in writing (letter, email, social media posting) and must include the name of the person requesting information, an address for correspondence and a description of the information sought. Requests should be sent to:

**Mighty Oaks Academy Trust, Priorslee Academy, Priorslee Avenue, Priorslee, Telford, TF2 9RS.**

**Alternatively requests can be e-mailed to: [admin.priorslee@taw.org.uk](mailto:admin.priorslee@taw.org.uk)**

- 8.3 Once we receive your request, we may seek more details from you to establish what information you are requesting.
- 8.4 If we do not hold the information you have requested, we will confirm this to you and, wherever possible, provide contact details for other public sector bodies that may hold the information you have requested in our response letter.
- 8.5 If we do hold the information, you have requested then we have to assess this to see if any of the exemptions detailed in the FOIA apply, e.g. if by releasing the information requested we would cause a serious health and safety issue we would apply exemption (section) 38 and not provide you with the information. Exemptions can either be 'Absolute' or 'Qualified'. If an exemption is qualified, then we will apply the Public Interest Test to decide if the application of the exemption should be overruled due to public interest.

- 8.6 A requester will receive a response to their request within 20 working days of the day we receive it (if it is received after 3.30pm then it will be 20 working days from the next working day), regardless of whether we do or do not hold the information. In exceptional circumstances we may not be able to meet the 20-working day deadline, if this is the case we will contact you to let you know when we hope to send the information requested to you.
- 8.7 We will not provide assistance to applicants whose requests are seen to be vexatious or repeated as defined in section 14 of the FOIA. In deciding if a request is either a vexatious or repeated request, we will consider guidance from the Information Commissioner's Office.
- 8.8 Right of Appeal - In the response the requester receives they will be given details on how to appeal if they are not satisfied with the information we have/have not supplied. The appeal will be processed by a person independent to the original response process.
- 8.9 Fees/Charges - We are allowed to recover the costs of printing, copying and postage and packing. If we require a fee to be paid, then a fees notice will be sent to the requester. If the fees notice has been sent and the requester is not prepared to pay the fee, we may: -
- consider whether any information that may be of interest is available free of charge, or.
  - consider providing an indication of what, if any, information could be provided without a fee being payable, or.
  - consider advising the requester that by refining the request, information may be able to be supplied for a lower fee or at no charge.
- 8.10 The Trust will provide advice and assistance to people making requests for information. Advice and guidance may be sought from the Headteacher using the previously stated contact details.
