Executive Principal: Mrs S Camacho

Dear Willow Parents and Carers,

We are delighted to let you know that Wrekin Forest School will be visiting Willow class on **Monday 19th October** to provide a full-day Forest School experience for the children. This exciting day will give children the opportunity to explore the outdoors, develop their confidence, work collaboratively with others and take part in a range of engaging, hands-on activities led by experienced Forest School practitioners. Activities may include nature exploration, den building, tool use demonstrations, team-building games and creative outdoor learning experiences.

The cost of the day is £15.00 per child, which covers all activities and resources provided throughout the experience.

To ensure that all children can fully participate and enjoy the day, please make sure that they come to school dressed appropriately for the weather. We recommend:

- Warm, comfortable clothing that can get muddy
- Waterproof coat
- Wellies or sturdy outdoor footwear
- Named spare clothes

As Forest School activities take place outdoors in a variety of weather conditions, children should be prepared for both wet and cold weather.

We are also delighted to invite Willow parents to join us from 2.30pm for marshmallows around the fire. If you would like to attend, please let Mr Perks know. Due to space limitations, attendance will be restricted to a maximum of two adults per child.

We are very excited to welcome Wrekin Forest School into school and know that the children will benefit greatly from this memorable outdoor learning experience.

Please make payment by **Friday 8th October** to confirm your child's place.

Thank you for your continued support.

Yours sincerely,
Mr Perks
